

EMPLAZAMIENTO

1/4.000

The site plan illustrates the layout of the 'Barrio de las Escuelas' (Schools Neighborhood) in San Juan. It features a grid of rectangular blocks, each containing a school building and surrounding areas. The blocks are arranged in a regular pattern, with streets running between them. The plan also shows topographical features, including a river or stream on the left side and a hill or mountain range on the right. A north arrow is positioned in the bottom right corner, indicating the orientation of the plan. The scale is given as 1/4.000.
